|-----------------|--|
| 1. Proposal | Listed Building Consent – for structural repairs and associated works including masonry consolidation to Beadnell Limekiln |
| Location | Lime Kilns South of Beach Court Harbour Road Beadnell |
| Applicant | The National Trust |
| Application No. | 14/00708/LBC |

The Chair had a few concerns regarding the planned concrete and steel reinforcement blocks to be used in the structural repairs which he will put in writing to the Planning Department as well as questions about the siting of the work cabins through the duration of the repairs and how this would affect the local tourism and access to the lime kilns and harbour.

There were no objections raised to the above application by the Parish Council or member of the public that was there. This application was welcomed by the Parish Council who were extremely pleased that progress was being made towards repairing the Lime Kilns.
