

Beadnell Parish Council Community Conversation 2019 - Action Record

Public Suggestion	Responsible Person	Action/Progress	Outcome/Decision
A) Action Ongoing			
1. Action needed to curtail speeding vehicles on Harbour Road	Parish Council/ Village speed monitoring team.	To be pursued in conjunction with the introduction of a 20 mph speed limit in Beadnell village with effect from xx/xx/xx. The speed monitoring team to continue to monitor driver behaviour and report incidents of speeding to Northumbria Police.	Action Ongoing
2. Creation of Cycle path from Swinhoe to Budle Bay Following an anonymous donation the cycleway/footpath from Seahouses to Bamburgh has been completed.	Parish Council to monitor	Parish Council agreed in July 19 that a Local Transport Plan priority for 2020/21 is - - The installation of a footpath/cycleway from Shephard's Cottage to Swinhoe. Update expected ca April 2020.	Action Ongoing
3. Bull Ring. Consideration to be given to levelling the current "dip"	Northumberland County Council (NCC)	The Bullring is owned by the NCC. Northumbrian Water are willing to undertake remedial works and the NCC will now take over from the Parish Council who started the process. October 19.	Action Ongoing
4. Provision of a fountain or access to drinking water in car park	Parish Council	Parish Council have obtained funding and will pay for the installation. NCC will carry cost of water hygiene testing and water used. Remains a Parish Council asset. Installation July 2020?	Action Ongoing
5. Completion of street light upgrade programme and in particular, elimination of "black spots" on	Parish Council	It is anticipated that this will be resolved when the programme is complete.	Action Ongoing Parish Council to monitor progress of

Harbour Road			upgrade and its effectiveness.
6. Seek change of rubbish collection days to aid problems detailed in item 11	Parish Council	Rejected previously by County Council on grounds of widespread disruption to existing County collection arrangements	Action Ongoing The Parish Council will monitor and exert pressure on AONB and the County Council as and when complaints are received.
7. Action to mitigate rubbish bins being left for collection earlier than the due date. Consequential problems with spillage and general mess in the areas concerned due to wind, birds etc	Parish Council	This is an issue for the AONB and was raised with AONB at the partnership meeting on 3/7. County Councillor is informed. AONB to publicise in their Newsletter - easy to install affordable solutions to stop spillage. www.BinStrap.com or Amazon ca. £7 to £20	Action Ongoing The Parish Council will monitor the situation.
B) Action Cleared			
8. Need to extend the existing double yellow lines at the Craster Arms/Wynding/Church	Parish Council	Need for extensions confirmed by the Parish Council and request made to Northumberland County Council on 19/5 for urgent action to be taken. Work completed 22.11.19	Action Cleared
9. Toilets at the beach car park to be open on an all year round basis	Parish Council	Parish Council have reached agreement with the Northumberland County Council to keep the toilets open for winter 2019 with option for subsequent years.	Action Cleared
10. Request that random Dog Warden patrols of the beach be made	Parish Council	Request relayed to Northumberland County Council on 19/5 consideration. AONB report successful action taken against one dog owner following complaints.	Action Cleared
11. To investigate the provision of communal rubbish and additional re-	Parish Council	Referred for AONB's consideration	Action cleared

cycling bins			
12. Prevention of overnight parking of camper vans/mobile homes in car park	Parish Council/ Northumberland County Council	Northumberland County Council (NCC) advised of concerns on 19/5/19 and several occasions since. NCC to review signage (no camping etc) and arrange for wardens to visits.	Action Cleared
13. Purchase of “Sit on” grass cutter and sand moving machine	Parish Council	Discussed by Parish Council and considered not considered to be justified on economic grounds feasible. Current alternative optiond will continue to be accessed.	Action Cleared
14. Barriers to be erected at the entrance to the dunes	Parish Council	Quite what the suggestor had in mind is not clear. In any event this is an AONB responsibility.	Action Cleared
15. Consider purchase of a “cherry picker” to assist installation of Xmas lights etc	Parish Council	Parish Council consider that the occasional use of of the equipment does not merit the expense involved. Nor does it have the necessary funds. Free alternative options will continue to be accessed when necessary.	Action Cleared
16. Restricting and or removing blowing sand from the car park	Parish Council	Previous attempts to resolve this have failed. Notably Northumberland County Council's action in removing the sand to an inappropriate position. The Parish Council's view is that the boat launch contractor effectively deals with the problem informally when necessary.	Action Cleared
17. Dog waste and fly tipping on and in the area of the beach.	Parish Council	Issues referred to Northumberland County Council.	Action Cleared
18. Car park bins and bottle bank. Concern over the frequency with which these are emptied during busy periods.	Parish Council	Northumberland County Council have been contacted and have confirmed that litter bins are emptied on a daily basis during the summer months. They feel this frequency does not give rise to any problems regarding overflowing. The operators of the bottle bank are being contacted separately. Recent experience is that collections are regular and timeous.	Action Cleared But to be reviewed if further complaints received or overflowing arises during the peak holiday period.
19. Investigate the possibility of holiday home owners organising bespoke rubbish bin collections to	Parish Council	The suggestion has been referred to the AONB.	Action Cleared
