

Practical Conservation Great British Beach Clean - Beadnell Bay

Wednesday, 22 September 2021 10:00 - 12:00

Coast Care are assisting the Marine Conservation Society by taking part in the Great British Beach Clean for the 4th year in a row.

Join us for a beach clean at Beadnell Bay starting at the Car Park to reduce marine litter.

10-12 noon

All equipment will be provided but please dress for all weathers.

Coast Care - a project enabling volunteers to access training, support and resources to conserve and protect the Northumberland Coast Area of Outstanding Natural Beauty.
